1. Please comment on the section leader's knowledge and presentation of the material and how well he/she coordinated the sections with lectures.

Strengths

- best TA ever! so nice and always willing to help clarify any information that have may been unclear
- He explained the lab procedures very well.
- Guosong had a very thorough understanding of the course material, and his presentations of concepts and procedures were always precise, to-the-point, and succinct.
- Guosong was great, always ready to help, but in a way that helped you learn. It was especially nice to have him so calm and available during lab, as it really helped lower the stress that comes with chem labs.

Suggestions for Improvement

- keep up the great work!

2. Please comment on the section leader's effectiveness as a discussion leader, his/her ability to answer questions and keep the discussion on track.

Strengths

- great! it is clear that his primary objective is to help his students!
- Guosong was an excellent lab leader- he was always available to answer questions, checked in with us periodically to see how the experiments were going, and provided very valuable advice and suggestions.

3. Please comment on the attitude of the section leader towards the students and his/her availability outside of class.

Strengths

- he expresses a contagious enthusiasm for the course material! so kind and caring towards his students!
- Very good and approachable outside of class.
- Guosong was always friendly, laid back, and ready to help. His level of availability outside of class was truly above and beyond the call of duty- he answered my countless emails promptly and helpfully, and was happy to schedule meetings to go over lab reports.

4. Please comment on the overall performance of the section leader.

Strengths

- my favorite TA ever! he deserves an award! guosong for president!
- Guosong is an excellent lab TA, and I enjoyed being in his section.
